

## Product Change Notification

Product Line:	powerCon Cable Connector	Part No:	NAC3FCA/FCB
Piece Part:	Contact Insert	Part No:	91206831 91206841
Engineering Change Request:		Date:	
Engineering Change Execution:	10-143, 10-144	Date:	7.09.2012
Comments:	New molding tool		

Affected products:	NAC3FCA, NAC3FCA-D, NAC3FCA-JAPAN, NAC3FCA-WR NAC3FCB, NAC3FCB-D, NAC3FCB-JAPAN
--------------------	--

First Shipment of Modified Product:	Date code E36, September 7, 2012
-------------------------------------	----------------------------------

### Engineering Change Notice

In the course of producing a new injection molding tool for the insert, some optimizations for the molding process are made. This led to some changes which do not affect form, fit and function.
