**The perfect tool for any job**

Screwty® is the ideal, all-purpose tool for tightening all common sensor and actuator cables. Even difficult-to-reach round plugs are accessible using the Screwty®.

A simple turning movement tightens and loosens the connectors without the need for excessive force. The Screwty® is a unique and global solution since it fits with most cables and plugs from other vendors (over 90 %). The Screwty® consists of a handle and a conventional 1/4" adapter. Thus it can be used for all sizes: for M12 and M8 round plugs, for M12F and M8F variants, and for customisable plugs and sockets.

General ordering data

Type	Screwty Set -DM
Order No.	1920000000
Version	Tools, Bolting tool
GTIN (EAN)	4032248436859
Qty.	1 pc(s).
