

Contractor Series Amplifier

PBM30 30 Watts RMS P.A. Amplifier

Our UL Listed Contractor Series amplifiers are the ideal amplifiers for everyday use. They can stand on their own as part of a smaller installation, or be incorporated into a much larger job. With RMS power ranging from 30W to 120W, microphone and source mixing ability, telephone paging interface and music-on-hold capability, there is almost no job that these amplifiers cannot be a part of.
