\*

PRODUCT NAME: Hot Melt Stick (MCM# 22-720, 22-725 & 22-990)

Technical Data: <u>22-720</u>, 21-4725 & HGBLK <u>22-725 & 22-990</u>

Basis: EVA Copolymer EVA Copolymer

Color: Clear White and Black Clear Yellow

1345-05-7 1333-86-4 2783-94-0

R&B Soften Point: 85 C 85 C

Tensile Strength: 25 kg/cm 20 kg/cm

Elongation: 1,250% 12.5

Open Time: 15 - 30 seconds 15 - 30 seconds

Viscosity: 160 C 18,000 cps 15,500 cps

170 C 14,500 cps 11,150 cps 180 C 10,750 cps 8,330 cps

Usage: Art craft, toy furniture, woodworking, packing assembly, etc.

Size: Diameter 1/2" or 5/16" 1/2" or 5/16"

Water = 7732-18-5

Chemical Family: Mixture of EVA Copolymer and Petroleum-Derived Hydrocarbons.

56486-59-0 8002-05-9

Product Appearance: Solid – Either Yellow or Clear

22-720, 22-725, 22-990, 21-4725 & HGBLK

Not applicable for this product.

EYE CONTACT: These products are inert solid. If particulates in eye, remove as one would any

foreign object. Particulates may scratch eye surfaces/cause mechanical irritation.

INHALATION: No affects will occur under normal use and conditions. At elevated temperatures,

fumes may cause irritation to the eyes, nose and throat. Over exposure may result

in redness, tearing and itching in the eyes.

INGESTION: Minimal toxicity.

\*If exposed to fumes from overheating or combustion, move to fresh air. Consult a physician.

\*\*If molten material contact skin or eyes, immediately immerse in or flush affected area with large amounts of cold water to dissipate heat. Do not attempt to peel material from skin as damaged flesh can easily be torn. Obtain prompt medial attention.

Ventilation: Ventilation is recommended in confined areas.

Eye: Eye protection is recommended as good Industrial Hygiene Practice.

Skin: Gloves and long sleeve shirt are recommended particularly when hot material

is being handled.

Respirator: Not required under normal use.

Waste Disposal: Normal disposal for solid wastes.

Storage: Store in a cool, dry place. Keep away from heat while not in use.

The information in this Material Safety Data Sheet relates only to the specific material(s) designated herein and does not relate to use in combination with any other material or in any process. Such information is to the best of our knowledge and belief; accurate and reliable as of the date compiled. However, no representation, warranty or guarantee is made as to its accuracy, reliability or completeness. It is the user's responsibility to satisfy him/herself as to the suitability and completeness of such information for his/her own particular use. We do not accept liability for any loss or damage that may occur from the use of this product.
