

Coax Cable Cutter Steel - JIC-725

A plier designed specifically for coax cables with a steel center conductor.

This plier has been tested (over 25,000 cuts) on cables with steel centers, and specifically CCSC (copper clad steel center) conductor cables without degradation to the cutting blades. Made from specially hardened chrome vanadium steel. Plier will also cut many other cable types.

Part No.	Description	Length
JIC-725	Coax Cable Cutter Steel	6.5"
