Description

Connect this to that without soldering using these handy mini alligator clip test leads. 15" cables with alligator clip on each end, color coded. You get 12 pieces in 6 colors. Strong and grippy, these always come in handy! We often use these in conjunction with a multimeter so we don't have to hold the probes in place.

Compared to our Large alligator clip set, these clips are smaller and 'pointier'

- 12 piece set, color coded vinyl covered alligator clips.
- Contains two of each: Black, red, white, green, blue, and yellow.
- Heavy 22AWG copper wire
- 1 1/4" alligator clips at both ends
