

### Specifications:

|                                |                         |
|--------------------------------|-------------------------|
| Gender                         | : Plug                  |
| Current Rating                 | : 10A                   |
| Connector Mounting             | : PCB                   |
| Contact Termination            | : Through Hole Vertical |
| Case Material                  | : Nylon 66              |
| Connector Mounting Orientation | : PCB                   |
| Connector Type                 | : IEC                   |
| Contact Plating                | : Tin                   |
| Insulation Resistance          | : 100MΩ                 |
| Material                       | : PBT                   |
| Mounting Type                  | : PC Board              |
| No. of Outlets                 | : 1                     |
| Operating Temperature          | : -25°C to 85°C         |
| Panel Cut-out Depth            | : 30.8mm                |
| Panel Cutout Width             | : 22.8mm                |
| Panel Thickness Min.           | : 0.8mm                 |
| Panel Thickness Max.           | : 3mm                   |
| Termination Method             | : Solder                |
| Voltage Rating V AC            | : 250V                  |

Dimensions : Millimetres

## Part Number Table

| Description     | Part Number |
|-----------------|-------------|
| Inlet, IEC, PCB | JR-101-1    |
