

# Tektronix Silver Care Package Reference Guide

Tektronix Silver Care Packages are an effective way to control repair costs, protect you from unplanned expenses for 5 years and minimize your downtime.

## The Benefits of a Silver Care Package:

- No Hassle Service – No Purchase orders, quotes or approval delays
- No Additional Repair Costs – Package covers all parts, labor and transportation
- “Like-new” Factory Performance – Calibration and adjustments performed with each repair
- Purchase a Silver Care Package and receive 20% off a 5 year calibration plan.
