

Round Cable Clips

Product Type:

Round Cable Clips (suitable for wires from 2mm - 26mm)

Application:

Choose from a range of popular sizes of black, clear, brown, red and white cable clips with inserted fixing nail (size of nail varies depending on size of cable clip). Thick steel nail prevents snapping and long length gives good pull out value. The clips boast good self-grip design and are made from high Grade Tough Polyethylene for low temperature flexibility. They also offer excellent stress crack resistance and chemical inertness. For internal and external use.
