

Poke Through Systems

T&B Catalog Number:

FPT3-2P-2C-BRS

UPC Number:

78599104472

Status:

Active

Description:

Flush service poke-through assembly includes base unit and brushed brass cover with (1) 20A duplex receptacle and (2) data jacks.

Features

Easy to use poke-through provides an ideal power and data solution

Durable solid brass or aluminum covers protect devices from damage and debris when not in use, no exposed plastic components.

Patented latching lid eliminates easily damaged, hard to use locking screws.

Application

Ideal for new construction or upgrading existing 3" core installations

For above-grade, fire rated concrete floors.
