

# EXPEDITION XP106W

Rechargeable Portable PA with Handheld Wireless System and *Bluetooth*<sup>®</sup>

Samson's Expedition XP106w Rechargeable Portable PA is packed with incredible features, including *Bluetooth* connectivity and a built-in 4-channel mixer. It also comes complete with a USB digital wireless system for delivering impromptu performances and professional presentations in any environment. Such versatility, combined with clean, crisp audio, makes the XP106w an all-in-one solution for classrooms, conferences, tour groups, parties, as well as a variety of outdoor applications.

Ensuring pristine, full range sound, the XP106w features a 6" woofer and a 1" high frequency driver. A lightweight, 100-watt Class D amplifier, perfectly matched to its drivers for high efficiency and low current draw, powers the XP106w. The unit's internal rechargeable battery also increases the system's portability, allowing for up to 20 hours of continuous use and completely wireless operation wherever great sound is needed.

The included Stage XPD1 USB Digital Wireless System (2.4GHz operating band) features a wireless receiver built into a USB stick and a handheld dynamic microphone transmitter with Samson's Q6 mic capsule. With a 100' operating range (environment dependent), the Stage XPD1 frees presenters and performers from the constraints of cables when using the XP106w.

The XP106w's 4-channel mixer features multiple input options with separate level controls, including an XLR-1/4" combo channel (microphones and other Mic/Line level devices), a 1/4" channel (guitars and other line level devices), an 1/8" channel (MP3 players, keyboards, etc.), a USB Wireless channel for use with the Stage XPD1 system and a *Bluetooth* channel to wirelessly stream music from your smartphone, tablet or laptop. The XP106w also has a Line Out to cascade multiple systems together and expand your sound, as well as a Music/Speech switch for optimizing output EQ for speech or music playback.

High quality components, versatile features, convenient portability and Samson's commitment to premium sound makes Samson's Expedition XP106w a consummate single system solution for a wide range of public address applications.
