

Cordless glue gun

PKP 3,6 LI

The compact PKP 3,6 LI Lithium-Ion Cordless Hot Glue Gun – mobile working without an annoying cable

Key product features

- One battery charge is enough for 6 glue sticks (30 minutes)
- Ready to glue after only 15 seconds of heat-up time
- Clean working thanks to automatic glue retraction

Other product advantages

- Charging with Bosch micro USB charger
- Always ready for use thanks to lithium-ion technology – no memory effect, no self-discharge
- With heat and battery status indicator
- Safe to use thanks to heat shield
- Energy-saving due to Auto-Off – automatic shutdown after 5 minutes of inactivity
- Outstanding handling due to compact design
- Instant adhesion after only a few seconds

Technical data

| | |
|-------------------------|----------|
| Battery voltage | 3,6 V |
| Battery capacity | 1,5 Ah |
| Glue stick, diameter | 7 mm |
| Glue stick, min. length | 150 mm |
| Heat-up time | 15 sec |
| Gluing temperature | 170 °C |
| Machine weight | 0,255 kg |

Application range

Hot gluing

Standard of comparison: Cordless glue gun

Technical key data
