Integrity® Half Finger Glove Liner 600-0660

White seamless 100% nylon glove liner greatly reduces perspiration and limits skin irritation caused by contact with glove material such as latex, PVC and also other chemical handling gloves. It’s sturdy construction allows liners to be laundered and reused.

FEATURES
• Durable and comfortable
• Reusable, ambidextrous, seamless construction
• Color coded cuffs denotes size

APPLICATIONS
• Suitable for use in controlled environments
• For use in laboratories and manufacturing environments
