Fluke CXT1000 Extreme Hard Case

CXT1000 Extreme Hard Case with do-it-yourself custom foam inserts

The CXT1000 is a hard case that fits all your Fluke test tools and accessories. Configure the diced foam interior to store, protect, and carry your test tools.

- Virtually indestructible, the extreme hard case has innovative features for unmatched strength and durability
- Offers maximum protection for your Fluke tools and accessories against high impact, vibration or shock
- O-ring sealed, waterproof up to a depth of 3 feet
- Airtight, and built to withstand the most extreme conditions
- Great for airline travel with an automatic pressure equalization valve for changes in atmospheric pressure
- Spring-release patent pending latches lock in place
- Lock holders are great for use with pad locks for added security
- Customizable, 2-piece sheeted foam offers an extremely tailored, custom fit for your Fluke tools and accessories
- Stackable, finger groove on each side for easy pick up and carry

Fits everything including accessories, thermal imagers, multimeters, clamp meters, and many other Fluke tools. Don't forget the second row to hold your entire toolbelt of products.
