

Combo – World to South Africa

2 IN 1 SOLUTION

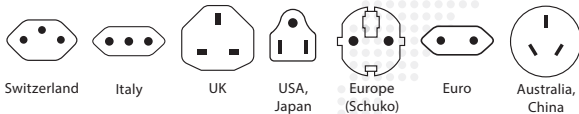

The Combo Country Adapters from SKROSS are the ideal solution for travellers from all over the world, who prefer a specific travel destination, but are also visiting Europe (Schuko) regularly. Ideal for hotels and conference centers that want to provide their guests the possibility of connecting their devices for the duration of their stay.

With the Country Adapter **Combo – World to South Africa** devices from more than 150 countries are applicable in South Africa and Europe (Schuko). It safely supports even power-hungry devices like laptop and hairdryer.
