

## Product/Process Change Notice - PCN 14\_0162 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Material Report). Any issues with this PCN or requirements to qualify the change (additional data or samples) must be sent to ADI within 30 days of publication date. ADI contact information is listed below.

**PCN Title:** ADE7880 Data Sheet Changes

**Publication Date:** 21-Aug-2014

**Effectivity Date:** 21-Aug-2014 *(the earliest date that a customer could expect to receive changed material)*

### Revision Description:

Initial Release

### Description Of Change

In the electrical specifications table on pages 4-7 of the datasheet, some parameter values have changed. Also some test conditions and comments have been added. See attached list for details of changes.

### Reason For Change

The data sheet has been changed primarily to reflect the actual device performance and provide additional detail.

### Impact of the change (positive or negative) on fit, form, function & reliability

The datasheet changes described above will have no material impact on form, fit or function.

### Product Identification *(this section will describe how to identify the changed material)*

The changes will be reflected in Rev B of the data sheet.

### Summary of Supporting Information

The actual device is unchanged.
