DESCRIPTION AND PURPOSE:

This update notification is to correct an error made on FPCN 20142 regarding the proposed first ship date. FPCN 20142 inadvertently set the first ship date at 120 days from the FPCN release date (27-Nov-2013), the date should be set to 90 days from the issue date, which would be 24-Oct-2013. This is in line with standard FPCN terms of 90 days from the original issue date which is clearly listed in the FPCN.

All products built out of ASKES as listed in this UN and FPCN 20142 may be shipped after 24-Oct-2013.
