

PRODUCT AND PROCESS CHANGE NOTIFICATION

SERIAL NO: 0085	RAISED BY: Colin Smith (Operations Director)	DATE: 23 rd March 2015
---------------------------	---	---

CUSTOMER: Various

PRODUCT: IQXO-366

PART NUMBER(S): Various (including LFSPXO013774 & LFSPXO013777)

CURRENT PRODUCT/PROCESS:
 The above product is a 5V supply, 14-pin Dual-In-Line (DIL) crystal oscillator with standby function, in a hermetically sealed metal package. It incorporates:

- a Quartz Crystal unit
- an IC subassembly
- a metal case
- a DIL base

PROPOSED CHANGE:
 The above model/part has been discontinued with immediate effect and will become obsolete as of 31st October 2015.

REASON FOR CHANGE:
 The decreasing demand for this product range has resulted in increasing difficulty in sourcing the required sub-components and in maintaining the legacy equipment, as well as increased manufacturing costs, making the production of this part no longer viable.

EXPECTED EFFECT ON PERFORMANCE:
 N/A

EXPECTED EFFECT ON RELIABILITY:
 N/A

COMMENTS:
 As stated above as of November 2015 this part will no longer be manufactured; until this time orders with a minimum quantity of 25pcs will be considered between 1st April and 31st October 2015.

Please contact your nearest IQD sales office to discuss the supply of samples of alternative models for assessment and approval.
