Reason for Change	Capacity change or tool replacement		
Change Type Description	This letter is to inform you that another set of tooling is being added to meet the current and future demands of this product. There will be no changes in the fit, form or function from the additional tooling when compared to the current tooling.		
Reason for Short Notice	New Capacity		
Assessment of Change	Product will be fully qualified before it is shipped. Qualification reports are available upon request.		
Internal Molex Qualification Date	December 01, 2016		
Sample Availability Date (Changed Part)	December 01, 2016		
Planned Implementation Date	December 01, 2016		
Method of Identifying Change	Cavity identification		

After Change

The purpose of this letter is to inform you that we are building one more copy mold for Stac64 20ckt Receptacle HSG to expand the capacity.

The validation is in process and we expect to have these Stac64 Part Numbers manufactured out of the new mold from Dec 2016. This will expand our capacity for this growing product line. Qualification data will be available upon request.
