Rack Drawer steel 2 U / 3 U / 4 U / 6 U

SAFETY INFORMATION

1. Please read these instructions carefully before you start installation and assembly.
2. Keep all information and instructions in a safe place.
3. Follow the instructions.
4. Observe all safety warnings. Never remove safety warnings or other information from the equipment.
5. Be attentive when setting up the product and protect yourself from injury.
6. A level surface is required, otherwise there is a high risk that it could fall over.
7. This product is intended for indoor use only. Using it outdoors could lead to product failure and personal injury.
8. Do not modify this equipment.
9. Comply with all applicable disposal laws in your country. During disposal of packaging, please separate plastic and paper/cardboard.
10. Plastic bags must be kept out of reach of children.
11. If you have any questions referring to this instruction or any warnings, please contact your local distributor.

You can find our current warranty conditions and limitation of liability at: <http://www.adamhall.com/media/shop/downloads/documents/manufacturersdeclarations.pdf>

To request warranty service for a product, please contact Adam Hall GmbH, Daimler Straße 9, 61267 Neu-Anspach / Email Info@adamhall.com / 49 (0) 6081 / 9419-0

PROPER DISPOSAL OF THIS PRODUCT (WASTE ELECTRICAL AND ELECTRONIC EQUIPMENT)

(Valid in the European Union and other European countries with waste separation)
This symbol on the product, or the documents accompanying the product, indicates that this appliance may not be treated as household waste. This is to avoid environmental damage or personal injury due to uncontrolled waste disposal. Please dispose of this product separately from other waste and have it recycled to promote sustainable economic activity.

FEATURES

Full extension ball race drawer slide
Drawer on ball-bearing chassis rail
Incl. Cylinder lock and 2 keys
Removable by quick release of the chassis rails

ASSEMBLY

Always attach the drawer at the front using all four screws.
Please note that the maximum load-carrying capacity of the drawers only applies if the drawer is supported, in addition to being mounting at the front. In the case of heavy loads, the drawers should never be installed in the rack on its own, but always above other drawers or devices, which in turn need to be supported.
