

**Product Description:**

The new range of EcoT8™ integrated open LED battens looks so close to traditional T8 and T5 open style fluorescent fittings, you won't be able to tell they are LED. Perfect for retrofit or new build, they've been designed specifically to mimic traditional fittings. Maintenance free and available in single or twin with reflector, now you can upgrade and benefit from all the advantages of LED technology while maintaining existing look and feel of traditional fluorescent.

**Product Image:****Product Features:**

- Steel housing and high quality polycarbonate diffuser eliminate hot spots providing uniformed low glare light output
- Perfect for retrofitting existing installations or as an alternative to T8 or T5 fluorescent fittings
- Twin version available with winged reflectors for reduced glare
- Side through wiring and rear cable entry
- Integrated driver supplied in housing
- Available in 4ft, 5ft and 6ft lengths
- 3 years warranty

1800mm 54W IP20 Twin Winged Open T8 LED Batten
