Part #(s): 8050-53

Product Name: Air Comb® Filter & Radiator Cleaner

Short Description:
90° Multi-Port Air Gun

Descriptive Paragraph:
A surprisingly powerful, multi-port nozzle maximizes air pressure and volume at a 90° angle. It thoroughly cleans air filters from the inside out and blows debris from condensers, radiators and more.

Features and Benefits

- Great for all air filters, radiators and condensers
- Flush design
- Powerful 90° air flow
- Focused, high-pressure output
- Does not punch holes in air filters
- 5X the air volume
- Accesses hard-to-reach areas
- Extends filter life
- OSHA safe
- Patents pending
