Product Name: Diamond-Coated Flexible Flat Point & Electrical Contact Cleaners

Short Description (25 words or less): Super Hard, Diamond-Coated, Flexible Flat Cleaners for Large Spade Electrical Contacts as well as General Filing Applications

This 3-piece, pro-series set covers a wide range of contact sizes for cleaning and enhancing electrical connections to reduce diagnostic guesswork and increase contact life.

Product Description

The three-piece pro series, Diamond-Coated Flexible Flat Point & Electrical Contact Cleaners feature highly durable, super hard, and abrasive diamond coating for cleaning and enhancing electrical connections to reduce diagnostic guesswork and increase contact life. The set includes a small (6 mm), medium (9mm) and large (15mm) wide, but ultra-thin, flexible cleaner with ergonomic, non-slip, high-viz handles. Optimized for cleaning large spade terminals including relays and forklift contacts, these flexible, diamond flat files are also great for use in general filing applications.

Applications

- Large Spade Relays
- Forklift Contacts
- Industrial Electrical Contacts
