SLIDE POTENTIOMETERS

March, 2015

Minimum Order Quantity and Multiple Order Quantity Change for Select Model PTL Series Slide Potentiometers w/White LED

Effective April 1, 2015, the Minimum Order Quantity (MOQ) and the Multiple Order Quantity (MULT) for the select [Model PTL Series](#) Slide Potentiometers w/white LED will be adjusted. Hereafter, any new Model PTL20 and PTL30 part numbers added with the white LED option will also be subject to the new MOQ/MULT quantities. There is no impact on form, fit, function, packaging or packaging method of the component. Below you will find a listing of active part numbers that are currently loaded in the system and are affected by this field notification.

Part Number	Current MOQ	Current MULT	New MOQ	New MULT
PTL30-10W1-102B1	600	600	1200	1200
PTL30-15W1-102B1				
PTL30-15W1-103B1				
PTL30-19W1-103B2				

There are no active Model PTL20 part numbers affected at this time. The MOQ/MULT quantities for Models PTL45 and PTL60 part numbers will remain unchanged.
