

Air impact cover for Samsung Galaxy S8+

SKU: TEIMPACTSAS8PT

Impact resistant Samsung Galaxy S8+ case with air cushions; colour transparent

The air impact cover is ideal for those who want maximum protection for their Samsung Galaxy S8+. This ultra resistant cover is made from a flexible material and it is equipped with air cushions which dissipate vibrations occasioned by minor prangs. Thus giving extra protection than a standard cover.

This cover fits the Samsung Galaxy S8+ snugly, giving full access to all buttons and adapters. It has a double defence system from the air pocket technology which both protects the fascia's shell and also the internal workings of your device.

Features:

- Flexible material
- Air bearing system
- Window for the camera aperture
- Maximised grip
