

NC200T product information sheet

The New Classics Series puts a fresh spin on an old favorite, providing fixed, tilt and full motion mounts with improved functionality – not to mention a new clean design. With enhanced functionality and a streamlined design, the NC200T is a reliable choice for any installation requiring a large tilt mount with universal compatibility.

Product Benefits

- Tilt +15° to -5° to reduce glare
- Universal rails for greater VESA compatibility
- Lift n' Lock™ allows you to easily attach your TV to the mount
- Sliding lateral on-wall adjustment
- Open architecture provides easy access to in-wall wiring
- Improved locking system secures TV to mount and is easier to access behind the TV
- Locking bar works with padlock or screw
- End caps cover locking hardware and present a clean side view
- Rail hooks are padded to avoid metal-on-metal contact and reduce vibration
- Installation template for simple and accurate mounting
- Includes complete hardware kit
