

# PLAY25 product information sheet

Make the most of your TV investment with a mount that accommodates every activity comfortably! The ActionMount moves every-which-way to position your TV near the floor (for activities like exercising) or up high (while standing, gaming and group viewing). Don't just sit in front of your TV, interact with it!

## Product Benefits\*

- Smooth omni-directional TV movement
- Arm requires only a light-touch to move
- Comfortably position the TV for every activity
- Enhance picture and 3D viewing with the right screen angle
- Lower for viewing near the floor and lift for standing activities
- Improves ergonomic viewing, relieving eye, neck and back strain
- Discreetly nest TV to the wall when not in use
- Stop feature prevents arm from touching wall
- Rotation offers screen leveling or portrait orientation
- Great for areas with limited wall space
- Cable management routes wires from TV to wall
- Great for family rooms, game rooms, kitchens and more
- Includes all necessary hardware for TV and mount
