

RoadRunner 585

PCDVRR585

TOTAL SUPPORT FOR SAFETY ON THE ROAD!

First-class technical specifications of the new RoadRunner 585 and additional security features protect the driver's safety to a new level. With Super HD video and 16 MP photos you will see all the details, whilst super safety assistants Low Light Warning and Forward Car Movement Detection will guarantee additional support.

KEY FEATURES

- **SUPER HD VIDEO QUALITY:** The video quality is excellent - Ambarella A7 chipset ensures Super HD resolution. The RoadRunner 585 captures every detail even in low light conditions thanks to HDR technology.
- **BRIGHT 2.0" SCREEN:** A 2.0 "screen is bright enough and has high resolution to playback video and to view photos clearly on it.
- **CAPTURE DETAILS:** A 160 ° viewing angle ensures you capture the wide field of view, whilst the 16 MP camera refines the picture quality.
- **FORWARD CAR MOVEMENT DETECTION:** This outstanding feature enhances safety on the road by alerting the driver to movement detected in front of the car. In addition it is increased assistance when in front of a traffic light or pulling out of the car park.
- **LOW LIGHT WARNING:** You will never forget to switch on the car headlights when it gets dark - the function warns you when it detects low light conditions.

TECHNICAL SPECIFICATION

Display Size	2.0" 960x240 px
Processor	Ambarella A7L50
Video I Photo Resolution	2304x1296 30fps 16 MP
Image Sensor	4 MP CMOS OmniVision OV4689
Lens Viewing Angle	Glass lens 160°
Video Codec	H.264
Video I Picture Format	.AVI; JPG
Memory Expansion	128 MB up to 64 GB (SDHC, MicroSD)
Other features	Motion Detection, G-sensor, Cyclic recording, HDR, FCMD, LLW
Microphone I Speaker	Built-in
Interfaces	HD-port, Micro USB
Power Source	Built in Re-chargeable battery (180 mAh) or from Car Power Adaptor
Battery life	up to 20 min
Operation Temperature	0°~ 45 °C
Dimensions/weight	56x65x30 mm I 60 g
In the box	Suction mount, Car Charger, USB Cable, Quick Start Guide, Warranty Card
