**Overview**

- Transfer from Mooresville
- The attached listing of parts currently ship from our RF location located in Mooresville, Indiana. The Initiative by Molex is to move all of these products from our manufacturing plants and into our distribution centers. This will streamline purchasing efforts, shipping consolidations, and process improvements in handling via best practice handling. There will be no change in the manufacturing location of the attached products. We are requesting a short notice exception based upon customer approval.
