The Bluetooth(tm) Portable Disco Effect Sound Sphere

Enjoy the best possible listening experience for your iPad(tm), iPhone(tm), Android(tm) or Bluetooth(tm) enabled computer or smartphone.

The stylish **S-118BT** is your entry into the world of premium quality sound. Connect via Bluetooth(tm) up to 15 metres and this stylish and compact sphere will produce dynamic, high resolution sound that will fill most normal size rooms with ease. Using ClearSound acoustic technology means bass is deeper and treble remains crisp, across all frequencies.

That's not all. The S-118BT features Chameleon LED, a relaxing, alternating soft LED display - ideal for relaxing when listening to music or absorbing an audio book.

With hands-free Bluetooth(tm) technology, FM Radio and a powerful Li-ion battery, the S-118BT is your ideal sound partner.

specifications:

Bluetooth(tm) - Version 2.1 + EDR, 15 metre range*
