

# Koss Stereophones - The Original

Ever since I introduced the first SP/3 stereophone back in 1958, Koss Stereophones have been bringing back the excitement of a live performance. Music lovers around the world recognize that dedication to accuracy in sound reproduction as the **Sound of Koss.**

John C. Koss  
Founder and Chairman

Over Ear Headphones

# The Pinnacle of Audio Reproduction

Featuring remarkable power and unmatched sound quality.

- Electrostatic transducers deliver clean bass and unmatched sound quality
- Pivoting ear cups and an adjustable/detachable headband ensure ultimate comfort and convenience
- Straight, dual-entry 4 foot cord with 6 foot extension
- Includes energizer, battery pack, leather carrying case, connecting cables and 120 VAC adapter
- Euro plug available

8-35,000 Hz    100k ohms    98 dB SPL/1mW    Straight, Dual Entry, 4ft/1.2m

## COMFORT AND CONVENIENCE

Pivoting ear cups and an adjustable/detachable headband ensure ultimate comfort and convenience.

## THE PERFECT PAIR

Includes energizer, battery pack, leather carrying case, connecting cables, and 120 VAC adapter.

## UNBEATABLE SOUND QUALITY

Electrostatic transducers deliver clean bass and unmatched sound quality.

## Wireless Freedom

Powerful personal listening you can take anywhere.

### BT540i

- Bluetooth® Wireless Stereophone
- NFC Enabled
- Koss PLX40 Elements tuned for personal listening
- Built-in microphone
- On-board controls
- Carry case included
- Playtime (at moderate listening levels): 12+ hrs

 10,25,000 Hz  38 ohms  100 dB SPL/1mW  Straight, Detachable Single Entry, 4.5ft/1.4m

## Made for Music Professionals

Perfect functionality, amazingly detailed sound.

### Pro4S

- Full-size, over-ear studio headphones
- D-profile with memory foam cushions
- Koss SLX40 elements tuned for studio reference
- Detachable cord with dual choice entry
- Fold flat for portability
- Carrying case included
- Daisy chain audio splitter

 10-25,000 Hz  35 ohms  99 dB SPL/1mW  Coiled, Detachable Single Entry, 4.5ft/1.4m

## Tune Out and Tune In

SP540 Isolating Headphones are tuned specifically for personal listening.

### SP540

- Full size, over-ear isolating headphones
- D-profile with memory foam cushions
- Koss PLX40 elements tuned for personal listening
- Detachable cord
- Fold flat for portability
- Carry case included

 10-25,000 Hz  35 ohms  99 dB SPL/1mW  Straight, Detachable Single Entry, 4.5ft/1.4m

BT539iw

Cut the Cord  
with the All-New Koss BT539i Wireless Bluetooth® Headphones

# BT539ik

- Full size, Wireless Bluetooth® Over-Ear Headphones
- Bluetooth® 4.0 Technology
- D-Profile
- Built-in rechargeable lithium-ion battery
- Up to 12 hours of playtime (at moderate volume) on one charge
- Up to 40 hours of standby time on one charge
- Detachable cord
- Fold flat for travel
- Available in dark gray or white

10-20,000 Hz 38 ohms 97 dB SPL/1mW Straight, Detachable Single Entry, 4ft/1.2m

# BT539iw

- Full size, Wireless Bluetooth® Over-Ear Headphones
- Bluetooth® 4.0 Technology
- D-Profile
- Built-in rechargeable lithium-ion battery
- Up to 12 hours of playtime (at moderate volume) on one charge
- Up to 40 hours of standby time on one charge
- Detachable cord
- Fold flat for travel
- Available in dark gray or white

10-20,000 Hz 38 ohms 97 dB SPL/1mW Straight, Detachable Single Entry, 4ft/1.2m

PRODJ200

# PRODJ200

- Full size noise-isolating headphones
- Fold flat into a convenient case for easy portability
- Transition from stereo to mono with the flick of a switch
- Two (2) detachable cords
- 4-foot straight cord with Koss Touch Control (KTC) remote and in-line microphone
- Koss Touch Control (KTC) remote and microphone technology, made for iPhone®, iPad® and iPod®
- 8-foot coiled cord with 3.5 mm standard plug and 6.5 mm adapter

10-25,000 Hz 38 ohms 99 dB SPL/1mW Coiled, Single Entry, 8ft/2.4m  
Straight, Single Entry 4ft/1.2m KTC

# PRO4AA

- Noise isolating professional studio headphones
- The first dynamic headphones to deliver true full frequency, high fidelity performance
- Standard-setting design incorporates performance-enhancing technology
- Superior isolation, accurate sound reproduction and the excitement of a live performance with every recording
- Durable steel and generously padded rubber headband
- Adjustable slide bars ensure snug fit
- 8 foot coiled cord with 6.3 mm (1/4") plug

10-25,000 Hz 250 ohms 95 dB SPL/1mW Coiled, Single Entry, 8ft/2.4m

# PRO4AAT

- Full size noise-isolation studio headphones
- Closed Pneumalite™ cushions maximize bass frequencies and isolate ambient noise
- Oxygen-free copper voice coils improve signal transmission and conduction
- Adjustable slide bars ensure snug fit for great sound and noise reduction
- Standard-setting design incorporates performance-enhancing technology and updated style
- Superior isolation, accurate sound reproduction and the excitement of a live performance with every recording
- Both 3.5 mm (1/8") plug and 6.3 mm (1/4") adapter feature gold flashing

10-25,000 Hz 250 ohms 95 dB SPL/1mW Coiled, Single Entry, 8ft/2.4m

# PRO3AAT

- Increased element rigidity minimizes mechanical distortion and ensures accurate sound reproduction
- Voice coils improve signal transmission and conduction for cleaner, clearer sound
- Closed leatherette ear cushions form tight seal around ears to reduce ambient noise and enhance bass
- Heavy-duty, single-entry 8 foot straight cord affords ample flexibility of movement
- Includes gold-flashed 3.5 mm (1/8-inch) plug and 6.3 mm (1/4-inch) adapter

15-20,000 Hz 60 ohms 100 dB SPL/1mW Straight, Single Entry 8ft/2.4m

## UR42ik

- Full size, over-ear headphones
- Built-in audio splitter
- D-profile
- Detachable cord with microphone & remote
- Dual choice entry
- Fold flat for travel
- Available in dark gray or white

 20-20,000 Hz  35 ohms  100 dB SPL/1mW  Straight, Detachable Single Entry, 4ft/1.2m

## UR42iw

- Full size, over-ear headphones
- Built-in audio splitter
- D-profile
- Detachable cord with microphone & remote
- Dual choice entry
- Fold flat for travel
- Available in dark gray or white

 20-20,000 Hz  35 ohms  100 dB SPL/1mW  Straight, Detachable Single Entry, 4ft/1.2m

## QZ5

- Neodymium magnet structures deliver outstanding clarity and definition
- Closed Pneumalite™ ear cushions and extra-secure headband seal ears, eliminate ambient noise
- Volume control on ear cup allows easy level adjustment
- Stereo/mono switch extends user flexibility
- Includes 8 foot, coiled, single-entry cord with 3.5 mm plug and 6.3 mm adapter

 40-20,000 Hz  60 ohms  102 dB SPL/1mW  Coiled, Single Entry, 8ft/2.4 m

## TD85

- Oxygen-free copper voice coils improve signal transmission and conduction for cleaner, clearer sound
- Adjustable headband and large leatherette ear cushions for custom fit
- Steel yokes reinforce overall construction
- Robust, yet surprisingly lightweight and comfortable, construction
- Kevlar-reinforced, single-entry 8 foot, coiled cord with gold-flashed 3.5 mm (1/8-inch) plug
- (L-shaped to minimize cord stress) and gold-flashed 6.3 mm (1/4-inch) adapter
- Simple, streamlined construction
- Includes a 4 foot, single-entry straight cord and two-prong airline adapter

 20-17,000 Hz  60 ohms  98 dB SPL/1mW  Coiled, Single Entry, 8ft/2.4

## QZ99

- Dynamic element delivers accurate acoustic sound reproduction with a wide frequency response
  - Oxygen-free copper voice coils improve signal transmission and conduction for cleaner, clearer sound
  - Closed, leatherette ear cushions form comfortable seal around ears, enhancing bass frequencies and decreasing ambient noise
  - Adjustable headband adapts to any head size and shape for added comfort
  - 8 foot, single-entry coiled cord with 3.5 mm (1/8-inch) plug and 6.3 mm (1/4-inch) adapter
- Covered under the Koss Stereophones Limited Lifetime Warranty

 40-20,000 Hz  60 ohms  102 dB SPL/1mW  Coiled, Single Entry, 8ft/2.4 m

## UR40

- Full-frequency clean sound turns any recording into a “live” performance
- Screened ear cups provide open, hear-through sound letting listeners stay in touch with surroundings
- Closed leatherette ear cushions form tight seal around ears, enhancing bass response
- Enjoy greater volume levels, even with low-voltage portable devices
- Airy mesh sling provides soft, breathable support
- Lightweight frame (just over 6 oz) folds into protective compact configuration for easy portability
- Includes a straight, dual-entry 4 foot cord with gold-flashed 3.5 mm (1/8-inch) plug

 15-22,000 Hz  60 ohms  98 dB SPL/1mW  Straight, Dual Entry 4ft/1.2m

## QZPRO

- 40-20,000 Hz frequency response offers a full range of deep bass and treble clarity for ultimate sound quality and reproduction
- Soft vinyl closed ear cushions create a tight seal around ears and reduce ambient noise
- Active noise reduction technology eliminates unwanted low-frequency noise, creating a peaceful listening environment
- Fully-collapsible design makes headphones perfect for travel
- Extra-soft, padded headband delivers lightweight comfort for extended listening sessions
- Approximately 30 hours of continuous play

 40-20,000 Hz  32 ohms  90 dB SPL/1mW  Straight, Single Entry 4ft/1.2m

## UR20

- Dynamic element for extended frequency response of 30-20,000 Hz
- Leatherette ear cushions deliver maximum isolation
- Built for maximum durability
- Straight, single-entry 8 foot cord

 30-20,000 Hz  32 ohms  97 dB SPL/1mW  Straight, Single Entry, 8ft/2.4m

## UR29

- Bass-enhanced, high quality sound
- Enhanced rigidity minimizes mechanical distortion, yielding a full-frequency response
- Great volume, even with low-voltage portable devices
- Ear cushions seal comfortably around ears, improving bass performance and blocking outside noise while preventing sound leakage
- Ear cups collapse into a compact fit for easy storage and travel

 18-20,000 Hz  100 ohms  101 dB SPL/1mW  Straight, Single Entry 8ft/2.4m

## UR18

- Leatherette ear cushions form seal around ears to enhance bass frequencies
- Headband accommodates all head shapes and sizes for maximum comfort
- Includes straight, dual-entry 8 foot cord with 3.5 mm (1/8-inch) plug
- Folds into compact configuration, convenient for storage and portability

 25-15,000 Hz  32 ohms  92 dB SPL/1mW  Straight, Dual Entry, 8ft/2.4m

## UR23i

- Unique D-profile mirrors the shape of the ear, to deliver superior sound and fit
- Koss One-touch Microphone controls your device and answer calls
- Superior isolation from ultra soft cushions and closed back design brings you closer to the music
- Straight, dual-entry flat tangle free cord
- Available in lime, blue, white, and black

 20-20,000 Hz  34 ohms  94 dB SPL/1mW  Straight, Dual Entry, 4ft/1.2m

On Ear Headphones

The SP330's unique new D-Profile rests evenly over the entire ear, perfecting sound, fit, and comfort.

## SP330

- On-ear headphones
- D-profile with memory foam cushions
- Koss PLX30 elements tuned for personal listening
- Detachable cord
- Fold flat for portability
- Carry case

20-25,000 Hz

35 ohms

101 dB SPL/1mW

Straight, Detachable Single Entry, 4.5ft/1.4m

## The Ultimate Portable Headphone

Comfort and convenience combined.

### Porta Pro Classic

- The ultra portable on-ear headphones
- Comfort Zone setting on temporal pad for comfortable secure fit
- The ultimate active headphones with a collapsible headband design for protective storage
- Dynamic element for extended frequency response
- Oxygen-free copper voice coils deliver deep bass and signal clarity
- Includes a convenient carrying case for protective storage

 15-25,000 Hz  60 ohms  101 dB SPL/1mW  Straight, Dual Entry, 4ft/1.2m

## Porta Pro with Mic

- One-Touch Microphone controls your device and answer calls
- Comfort Zone setting on temporal pad for comfortable, secure fit
- The ultimate active headphones with a collapsible headband design for protective storage
- Dynamic element for extended frequency response
- Oxygen-free copper voice coils deliver deep bass and signal clarity
- Includes a convenient carrying case for protective storage

15-25,000 Hz
 60 ohms
 101 dB SPL/1mW
 Straight, Dual Entry 4ft/12.m

## KPH30iw

- Lightweight and portable for active lifestyles
- The Sound of Koss dynamic audio drivers deliver full spectrum sound
- Built to last rugged cable system
- Dynamic element for extended frequency response
- The perfect fit with patent pending suspension
- One-touch microphone & remote
- Available in black and white

15-25,000 Hz
 60 ohms
 101 dB SPL/1mW
 Straight, Dual Entry 4ft/12.m

## KPH30ik

- Lightweight and portable for active lifestyles
- The Sound of Koss dynamic audio drivers deliver full spectrum sound
- Built to last rugged cable system
- Dynamic element for extended frequency response
- The perfect fit with patent pending suspension
- One-touch microphone & remote
- Available in black and white

15-25,000 Hz
 60 ohms
 101 dB SPL/1mW
 Straight, Dual Entry 4ft/12.m

## Porta Pro KTC

- Koss Touch Control (KTC) remote and microphone technology, made for iPhone®, iPad® and iPod®
- Comfort Zone setting on temporal pad for comfortable, secure fit
- The ultimate active headphones with a collapsible headband design for protective storage
- Dynamic element for extended frequency response
- Oxygen-free copper voice coils deliver deep bass and signal clarity
- Includes a convenient carrying case for protective storage

15-25,000 Hz
 60 ohms
 101 dB SPL/1mW
 Straight, Dual Entry 4ft/12.m

## HB79

- Infrared (IR) technology transmits signal to headphones, reproducing audio signal while allowing you to roam freely about the room
- Dynamic element promotes extended frequency response
- Compact, lightweight design makes system ideal for extended listening sessions
- Foam ear cushions keep you in touch with your environment while you listen
- Adjustable, soft rubber headband provides maximum comfort and customization
- Transmitter connects to most home systems through 3.5 mm headphone jack or audio output

30-15,000 Hz
 N/A
 N/A
 Cordless

## Sporta Pro

- Active lightweight travel headphones
- Dynamic elements deliver deep bass and a wide frequency response
- Oxygen-free copper voice coils improve signal transmission for cleaner, clearer sound
- Numerous details for comfort: multi-pivoting ear plates, cushioned pads, foam ear cushions
- Straight, dual entry 4 foot cord
- Gold-flashed 3.5 mm (1/8") plug

15-25,000 Hz
 60 ohms
 103 dB SPL/1mW
 Straight, Dual Entry, 4ft/12.m

## KTXPRO1

- Lightweight, portable headphones with adjustable headband
- In-line volume control and open, hear-through sound
- Straight, 4 foot, dual entry cord with 3.5 mm plug and 6.3 mm adapter
- Titanium layered diaphragm delivers accurate sound reproduction
- Frequency response delivers high quality sound performance
- Perfect for at-home and portable use

 15-25,000 Hz  60 ohms  103 dB SPL/1mW  Straight, Dual Entry 4ft/1.2m

## KSC17

- Ultra-light behind-the-head sport clip® design
- Great sound quality with maximum portability
- Constructed from Mylar for enhanced rigidity
- Improved signal transmission and conduction for cleaner, clearer sound
- Secure headband won't interfere with activities
- Volume control on cord allows easy level adjustment

 40-20,000 Hz  32 ohms  98 dB SPL/1mW  Straight, Single Entry 4ft/1.2m

## KPH25

- Lightweight and portable for active lifestyles
- Equipped with dynamic elements for extended frequency response
- Collapsible design for maximum portability and storage
- Over-the-head design with contemporary styling
- Include a straight, single-entry 4 foot cord with in-line volume control and 3.5 mm (1/8-inch) plug

 80-20,000 Hz  32 ohms  94 dB SPL/1mW  Straight, Single Entry, 4ft/1.2m

## KPH14

- Side-firing headphones are designed specifically for active lifestyles and working out
- Sweat resistant fully adjustable comfort fit headband
- Dynamic element for extended frequency response
- Lightweight and non-isolating
- Available in black, green, blue, violet, and white

 100-15,000 Hz  16 ohms  104 dB SPL/1mW  Straight, Dual Entry 4ft/1.2m

## UR10

- Durable on-ear headphones
- Over the head design with an adjustable headband
- Maximum portability with a lightweight design
- 4-foot cord and 3.5mm plug

 60-20,000 Hz  32 ohms  94 dB SPL/1mW  Straight, Single Entry, 4ft/1.2m

## KPH7

- On ear headphones with a lightweight design
- Dynamic element delivering incredible sound performance
- Straight, 4 foot, dual entry cord with 3.5 mm plug
- Ideal for listeners seeking ultra-light headphones
- Available in black, green, red, white, and violet

 80-18,000 Hz  32 ohms  91 dB SPL/1mW  Straight, Dual Entry, 4ft/1.2m

60-20,000 Hz 16 ohms 98 dB SPL/1mW Straight, Dual Entry, 4ft/1.2m

## Ear Clip Headphones

KSC32igry

## KSC32i FitClips

- Ultra lightweight earclip headphones
- New in-ear ported design
- Elements rest comfortably in ear to create noise isolating seal
- Soft flexible clips rest comfortably around the ear
- One-Touch Microphone controls your device and answer calls
- Includes three pairs of silicon ear tips for optimum comfort and noise isolation
- Available in blue, coral, gray, and violet

15-20,000 Hz 160 ohms 104 dB SPL/1mW Straight, Dual Entry 4ft/1.2m

## KSC75

- High fidelity clip headphones
- Exceptionally wide frequency response
- Computer-optimized neodymium, iron, and boron rare-earth magnet structures deliver amazing clarity at any volume
- Include a straight, dual entry, 4 foot cord with gold-flashed 3.5 mm (1/8") plug
- Pivoting clips promise accommodating fit
- Enjoy greater volume despite low-voltage portable devices

15-25,000 Hz 60 ohms 101 dB SPL/1mW Straight, Dual Entry 4ft/1.2m

## KSC22i

- Dynamic element for extended frequency response of 60-20,000 Hz
- Sport Clip® design fits comfortably around the ear
- One-Touch Microphone controls your device and answer calls
- Ultra-lightweight comfort
- Customizable fit
- Straight, dual-entry 4 foot cord

60-20,000 Hz 16 ohms 98 dB SPL/1mW Straight, Dual Entry 4ft/1.2m

## KSC21

- Clips comfortably over ears
- Open hear-through sound allows listeners to stay connected to surroundings
- Ultra-lightweight comfort
- Straight, dual-entry 4 foot cord
- Available in black and white

50-18,000 Hz 16 ohms 36 dB SPL/1mW Straight, Dual Entry 4ft/1.2m

## Headsets

## SB42 USB

- Single, USB plug for quick headset connection
- Headset with detachable electret noise reduction microphone for hands-free communication from your PC
- Ideal for PC voice applications, interactive gaming and speech recognition
- Dynamic element for extended frequency response
- Foam ear cushions for open, hear-through sound
- Adjustable headband for a great fit
- Electret noise canceling microphone

 20-20,000 Hz (headset)
  100-16,000 Hz (microphone)
  USB
  Straight, Single Entry 8ft/2.4m

## SB42

- Full range of sound brings games to life
- Headset with detachable electret noise reduction microphone for hands-free communication from your PC
- Dynamic element delivers high sensitivity and reduced distortion for premium sound
- Improved signal transmission and conduction for cleaner, clearer sound
- Ear cushions create balanced, open, hear-through sound, maximizing comfort and evenly distributing sound
- Independent 3.5mm plugs for easy headphone and microphone connection
- 8 foot cord maximizes movement
- Electret noise canceling microphone
