Product/Process Change Notification Polymer Electrolytic Surface Mount Capacitors Operation Flexibility

Date: Mar 1 th , 2018	ID Number (MMDDYY): PCN030118-UMQ
Affected Products	KEMET Electronics Corporation announces full flexibility of manufacturing operations for Polymer Commercial Grade Capacitors between the two qualified manufacturing locations: <ul style="list-style-type: none"> • KEMET, South Carolina - USA • KEMET, Suzhou - China.
Change	Tantalum Polymer SMD Commercial Grade Series capacitors will be manufactured and shipped from either of the two qualified manufacturing locations.
Justification and Benefits	Implementation of full flexibility between both manufacturing locations will help to ensure the shortest delivery times and optimal output of Polymer Series with no impact to quality or performance. The shipment from the two qualified manufacturing locations will have no impact in form, fit, and function of our Polymer SMD Commercial Grade Capacitors. The part number is not changing.
Effective Date and Identification	KEMET will start sourcing production shipments from both locations by June 1 2018. Component manufacturing locations can be distinguished by the Country of Origin (COO) marked on the reel labels and on the shipment box label.
