Style Long Nose

The Stanley Long Nose Pliers are great for bending, turning, and cutting due to their fixed joint design. The long nose enables one to reach inconvenient spaces. These pliers also feature drop-forged steel which makes them long lasting!

Features & Benefits

- Fixed joint design used for bending, turning and cutting
- Long nose design for use in hard-to-reach areas
- Oil-resistant dipped handle allows for a comfortable grip
- Drop-forged steel is strong and durable
- Meets ANSI specifications
