# Be here, work there!

The New Fluke 233  
The world's first Digital Multimeter  
with detachable display

The Fluke 233 is here...

...and here.

**Superior**

**Be in two places at once with  
the Fluke 233 Remote Display Multimeter.**

The NEW Fluke 233 wireless remote display digital multimeter with removable magnetic display allows you to be 10 meters away from the measurement point. For more information about the revolutionary new Fluke 233 Remote Display Multimeter and to see how it will expand your capabilities go to [www.fluke.co.uk/233](http://www.fluke.co.uk/233).

# The NEW Fluke 233 True-rms Remote Display Digital Multimeter allows you to be in two places at once.

The Fluke 233 Remote Display Multimeter will change the way you use a True-RMS Digital Multimeter (DMM). Its removable magnetic display has a wireless link, so you can take measurements in one place and view readings at another. Ideal for hard to reach places or hazardous areas, it lets you work more productively and more safely. That's Fluke's Five-Star performance.
