

## ATS-405

FM-Stereo / AM / SW  
World Receiver

Color

SILVER

Sangeans new ATS-405 FM-Stereo/AM/Short Wave World Band Receiver provides performance and features normally found in more expensive receivers. The ATS-405 incorporates a modern design and an easy to use control panel.

With five tuning methods, 10 Key Pad Direct Frequency Access, Auto Scan, Manual Tuning, Memory Recall and Push Button Tuning you'll have access to any and all channels your looking for.

Tone controls, including adjustments for Music, News or Normal will allow users better control and better sound for any station they're listening too.

An easy to read super bright display will let you know Time, frequency, status and other pertinent info you need.

With a Built-In battery charger and stylish carrying pouch the ATS-405 will be ready when you are to travel the globe and keep you in touch along the way.
