TE Connectivity

Product Change Notification: P-18-016110

PCN Date: 19-JUL-18

Customer: Newark Electronics (1327156)

Location: Gaffney

Agreement: Agreement Unknown

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Agastat VTM1 Timing Relay

Description of Changes

The VTM1 series is built for TE by a contract manufacturer under a private brand label agreement. Supplier of private brand label relay has replaced a component with a new device that changes the timing specification and the accuracy cited in the catalog page. The change is due to component obsolescence at the supplier. The effective date of this change is November of 2017.

Reason for Changes:

New specification.
