QUICK CHANGE D'VERSIBIT SYSTEM KIT

"D'VERSIBIT, QUICK CHANGE, STARTER KIT "

Cat No: 941

UPC No: 783310313885

Description

- All the same great features as a traditional flexible drill bit, but with even more flexibility and versatility
- Simplifies the frustrating and time-consuming process of installing wire or cable inside existing walls
- For use when drilling between studs and joists
- Can use with any type of bit with a 1/4 IN quick change hex on it, such as spade bits, auger bits or drill bits for increased application flexibility
- Replace only the bit as it wears rather than the entire bit and shaft for lower overall cost of ownership
- Quickly and easily switch from drilling to pulling with the quick change pulling grip, No more fiddling with hooking a pulling grip to the bit
