KNIPEX Cobra® XL Pipe Wrench and Water Pump Pliers

- Greater gripping capacity but much lower weight than comparable pipe wrenches
- Fast push-button adjustment directly on the workpiece, no unintentional slipping of the joint
- Fine adjustment for optimum adaptation to different sizes of workpieces and a comfortable handle width
- Self-locking on pipes and nuts: no slipping on the workpiece and low handforce required
- Gripping surfaces with special hardened teeth, teeth hardness approx. 61 HRC: high wear resistance and stable gripping
- Box-joint design for high stability due to double guide
- Guard prevents operators' fingers being pinched
- Chrome vanadium electric steel, forged, multi stage oil-hardened

Both the KNIPEX Cobra® XL and XXL offer the performance and comfort of water pump pliers while being lighter in weight and having a greater gripping capacity than comparable pipe wrenches. The Cobra® XL can e.g. grip a 2" pipe fitting and weighs 50 % less than a 2" pipe wrench, which has a much lower gripping capacity. With its handy length of 400 mm, the Cobra® XL also fits into a plumber's tool kit. The Cobra® XL comes along with the weight of a 2" pipe wrench but offers a back-up gripping capacity up to 4 1/2".

Article No.	87 01 400
EAN	4003773005636
Pliers	grey atramentized
Head	polished
Handles	plastic coated
Adjustment positions	27
Capacity for pipes, inches (diameter) Ø Inch	3 1/2
Capacities for pipes (diameter) Ø mm	90
Capacities for nuts mm	95
Length mm	400
Net weight g	1214
