

The supplier acknowledges that, with the acceptance of the drawings by a production manufacturer the illustrated part in accordance with the drawings is reproducible from and series production. Through the selected manufacturing processes no impairment will arise in the material and structure which could subsequently lead to an impairment of the component. Verbal agreements over and above that are not valid. Deviations from this rule must be written and must be signed by the purchaser.

The drawing may not be copied, reproduced or made available to third parties in any way without written approval of the supplier.

- Prüfung des Ladestromkreises der Lichtmaschine/ check of dynamo charging circuit
- Test des Ladezustandes der Batterie/ test of battery capacity
- Belastungstest der Batterie/ test of battery load
- Überwachung des Ladevorgangs mit ungeregelten Ladegeräten/ supervision of the charging process with unregulated chargers
- Geeignet für alle 12 V Kfz-Batterien/ suitable for all 12 V car batteries
- kurzschlussfest/ short-circuit proof
- Verpolschutz/ reverse-connect protection

Verpackung/ : Blisterverpackung 84x272x25mm
package blister package 84x272x25mm
