## Cyclops HDMI and ZEN Mount

### Limitless Positioning Options

Aven's Cyclops HDMI Digital Microscope and ZEN Mount connects directly to a HD monitor as well as to a computer. A large working distance and 30 LEDs allow examination of sizable objects. **Magnification allows up to 132x on a 21.5in HD monitor.** This breakthrough system increases accuracy and productivity while easing eye strain and user fatigue – valuable benefits in high-volume applications, such as parts inspection in assembly operations. The ZEN Mount is a versatile, lightweight, multi-angle, telescoping mount that offers optimal maneuverability and offers an extended reach of 12in-16in.
