TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Manufacturing location addition

Description of Changes

For following PNs, we will add additional manufacturing source in TE Qingdao plant apart from existing manufacturing location in TE Lickdale plant in U.S.. Products will be produced dual source in both U.S. and China in the future.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our supply chain, we hereby inform you about addition of manufacturing location to improve capacity and lead-time. The new manufacturing location is added by following a strict procedure, which guarantees quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
