

Get an All-in-One Tag and Attach System with RipTag™ Safety Tag Roll

Having the right tools readily available makes completing any task easier and more efficient. With RipTag Safety Tag Roll you get a complete system for tagging hazardous areas in your facility so you can keep employees safe. This system includes a bulk roll of tags that you can easily tear off as you need them, and cable ties for quick attachment.

With RipTag Safety Tag Roll you also get:

- Compliance with OSHA's 50 lb. pull force regulation for lockout tagout
- Easy storage options
- The long-lasting identification you expect from Brady
