Note

Only connect the speaker system to a USB interface with the 3.0 standard or a suitable USB charger.

The following power supply must be ensured:
5V $\equiv$ 900 mA

1. Safety Notes

- Protect the product from dirt, moisture and overheating and use it in dry rooms only.
- Lay all cables so that they do not pose a tripping hazard.
- Do not bend or crush the cable.
- Do not drop the product and do not expose it to any major shocks.
- Use the product for its intended purpose only.
- Keep the packaging material out of the reach of children due to the risk of suffocation.

- Dispose of packaging material immediately according to locally applicable regulations.
- Do not open the device or continue to operate it if it becomes damaged.

2. Warranty Disclaimer

Hama GmbH & Co. KG assumes no liability and provides no warranty for damage resulting from improper installation/mounting, improper use of the product or from failure to observe the operating instructions and/or safety notes.

3. Service and Support

Please contact Hama Product Consulting if you have any questions about this product.
Hotline: +49 9091 502-115 (German/English)
