

Premium Ultra-Slim Pneumatic Desktop Sit-Stand Workstation

pro-SIGNAL

Description

50-25010 is the next evolutionary step in sit-stand desktop workstations. So thin and sleek it virtually melts into the desk its sitting on. With a contemporary minimalist design and simple operation, it comes out of the box ready to use without any assembly. The desktop uses high grade, composite MDF board that is stable, impact-resistant. The Steel frame provides a solid and long-lasting performance and the simple lift and lower mechanism is smooth to quickly adjust to your desired height. Best of all, the 50-25010 helps you become more active and healthy while improving your productivity.

Features

- Step less height settings for your free height adjustment
- Non-skid rubber pads protect work surface from scratches or scuffs
- Ultra-Slim profile for space saving & easy storage
- Quality MDF board features high impact resistance
- Steel construction provides a solid, and long-lasting performance
