

Part Number: EM967-R

Description: **Telescopic Pick Up Tool**

- Ideal for retrieving difficult to reach ferrous items
- Pen style, telescopic design - fits easily in a pocket
- Extends to 660mm
- High intensity neodymium magnets ensure optimum strength

Length (mm)	:	147-660
Length (in)	:	5.8-26
Weight (kg)	:	0.04
Pull Force (kg)	:	1
