RE: Notice regarding Mac Address
REF NO.: UTY-PCN18-04D

TAIYO YUDEN performs writing of the 12-digit Mac address (OUI: 6 digits + Unique Code: 6 digit) to the respective product. OUI (Organizationally Unique Identifier) is the specific ID, which is administered to the respective manufacturer by the IEEE Registration Authority. Therefore, no two MAC addresses are the same. Since all the 6-digit Unique Code are expected to be consumed, it will be required to make the Mac address allocation with a new OUI.

Please find the details in the following sections:

1. Affected Products

WYSAAVDX7
WYSAGVDXG
WYSBCVJXM
WYSBHVXG
WYSBMVGX4-I
WYSBMVGXB
WYSBMVGXB-V
EYSF3CAXI-Z
EYSMACAXX

2. Mac address configuration

※OUI (Organizationally Unique Identifier): Unique ID administered to manufacturer by IEEE Registration Authority
※Unique Code: Each code in (1) to (6) shall be alphabet or number (Base 16)

3. Details of notice

In addition to OUI of current use, new OUI will be added.

4. Expected timing of new OUI addition

After all of the 6-digit Unique Code are used up, there will be a running change of Mac address with the new OUI. Scheduled timing of running change is December 2018. (Subject to change due to production condition.)

5. Influence on customers

If there is any processing on the customer side using the OUI of current use, it is required to add the new OUI. We are grateful to have your cooperation to check and confirm the above contents and have your signature of acknowledgement below.
