

The new Klein Tools' TradesmanPro™ Tool Master Backpack is a seriously tough backpack starting with a handle reinforced with aircraft cable, 1680d ballistic weave material construction, and a fully-moulded waterproof bottom. With 48 pockets inside and out, this backpack has plenty of room for all sorts of hand tools, tablets, cables and wires, safety equipment, attachments, accessories and more. In fact, the adjustable front pouch is a perfect spot for your drill. Need only a few tools for your next task? The removable tool caddy is designed for you to carry just what you need. Both the tool caddy and the backpack can be hung up, keeping your tools easily within reach.
