

Exclusive Klein-designed CAT5e Pass-Thru™ modular plugs for fast, reliable connector installations for voice and data applications. Cable easily passes through the connector for a consistent and secure termination. Saves time, trims flush to the end face when used with Klein Tools' Pass-Thru™ Modular Crimper VDV226-110, and eliminates wasted materials.

Specifications

Type:	Modular	Application:	Voice and data
Special Features:	Pass-through technology; Compliant with all PoE standards	Overall Length:	0.875" (22.2 mm)
Overall Height:	0.453" (11.5 mm)	Overall Width:	0.094" (2.4 mm)
Material:	PVC plastic; Gold-plated contacts	Connector Type:	RJ45
Cable Type:	CAT5e	Position & Contacts:	8P 8C
Connector Colour:	Clear	Solid Conductor Wire:	Yes
Stranded Conductor Wire:	Yes	Package Quantity:	50
Weight:	4.8 oz. (0.14 kg)
