

RM 760 CarpetPro Cleaner Tablet

CarpetPro Cleaner RM 760 Tablet is a spray extraction deep cleaner in tablet form. With encapsulation technology it comes in a practical foil that is water-soluble.

Properties

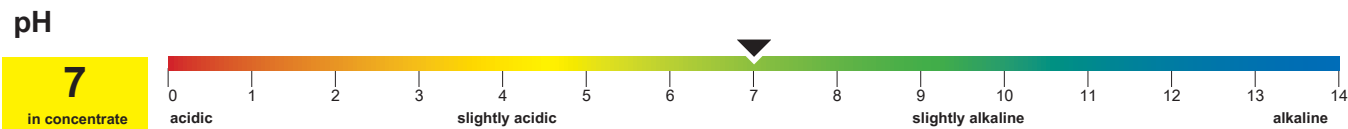

- Effective basic cleaner for spray extraction cleaning of textile coverings and upholstery
- Dissolves heavy oil, grease and mineral stains
- iCapsol technology: no rinsing required, so surfaces are soon dry again
- Reduces drying time
- Skin protection thanks to single packaging of the cleaning sticks
- Soluble tablets in a water-soluble film than promotes cleaning
- Gentle cleaning action
- Cleaning active at all stages of temperature
- Free from bleaching agents
- Improves floor hygiene
- Pleasant, fresh fragrance
- Tablet form

- Spray extraction machines
- Carpet cleaners

	Part number
16 Tabs	6.295-850.0
200 Tabs	6.295-851.0

Application:

Spray extraction cleaner

- Combine the product with the appropriate dosage and fresh water.
- Allow the product to dissolve completely in lukewarm water (approx. 40°C).
- Clean textile coverings in overlapping sections in the one-step method (spraying/vacuuming in one procedure) or two-step method (spraying/allowing to soak and then vacuuming).
- Vacuum textile coverings well and leave to dry.
- Encapsulated dirt is vacuumed during the next maintenance cleaning.

Carpet cleaner

- Combine the product with the appropriate dosage and fresh water.
- Allow the product to dissolve completely.
- Clean textile coverings in overlapping sections in the one-step method (spraying/vacuuming in one procedure) or two-step method (spraying/allowing to soak and then vacuuming).
- Vacuum textile coverings well and leave to dry.
- Encapsulated dirt is vacuumed during the next maintenance cleaning.

Directions for use:

- Test on an inconspicuous part for material compatibility.
- Do not soak materials.
- Store in a dry place.
