

11-Dec-2018

PCN #:P-18-016698

Subject:Manufacturing Location Change of Menlo Park Appliances Tubing and Unit of Measure change for DWP-125 Products

Description of Change: Manufacturing location change. Following Part Numbers will be transferred from Menlo Park, USA to Trutnov Czech Republic. After 11th March 2019 We will begin manufacture of DWP-125 tubing products form our manufacturing facility in Trutnov Czech Republic. The part number list attached shows you the DWP-125 products that are affected. Please note that for spooled products Part number will be changed so please update your records accordingly. This change will also indicate a change in the selling Unit of Measure from Feet to Metres, and for -STK parts the UOM will change from Feet to Piece. Parts currently sold with the UOM of Piece will not change part numbers. . The transfer will be made in phases and the phase implementation dates can be found on the attached documents. Please start ordering using the new part numbers as each phase date is reached.

Reason: Dear Customer, we hereby inform you about a transfer of processes. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
